Clinical Reimbursement Specialist  
Greater Burlington Area

## Summary

Experienced Clinical Reimbursement Specialist with a demonstrated history of working in the hospital & long term care facilities. Skilled in organization and timeliness with an exceptional understanding of federal and state rules and regulations as it pertains to the Minimum Data Set (MDS) and PDPM.

---

## Experience

### Franklin County Rehab Ctr LLC

#### MDS Coordinator

July 2017 - Present (6 years 5 months)

St Albans, Vermont, United States

I assess potential residents in the hospital or community setting for admission to the facility for Subacute Rehab or Long Term Care. I also have an Advanced Certification in the Minimum Data Set (MDS) which provides clinical reimbursement for the facility.

### The Villa Rehab Center, LLC

#### Admissions Coordinator

October 2017 - June 2023 (5 years 9 months)

St Albans, Vermont, United States

Screens patients for admission to Skilled Nursing Facility; Acts as liaison for Care Managers in the hospital and community setting; prepares clinical information and admission paperwork, and communicates this with the facility's interdisciplinary team.

### Northwestern Medical Center

#### Staff Registered Nurse

July 2013 - June 2017 (4 years)

St Albans, Vermont, United States

Provided direct patient contact to Medical-Surgical status patients on a Progressive Care Unit

### Brownway Residence

Certified Nursing Assistant  
May 2012 - July 2013 (1 year 3 months)  
Enosburg Falls, Vermont

---
