## Top Skills

Petabyte Scale Analytic Processing
MPP Query Engines
Big Data Management

# Wolfgang Hoschek

Senior Software Engineer at Cloudera
San Francisco, California, United States

## Experience

**Cloudera**
Senior Software Engineer
July 2012 - Present (11 years 5 months)
San Francisco

Hadoop Platform, Cloudera Search, Morphlines, Realtime Big Data Analytics

**Apache Lucene/Solr and Flume at The Apache Software Foundation**
Committer
July 2005 - Present (18 years 5 months)

**Skytide**
Senior Software Engineer
March 2005 - July 2012 (7 years 5 months)
Oakland, CA

Real Time Column Store Analytics, CDN Video Analytics, Cloud Computing

**Lawrence Berkeley National Laboratory**
Computer Scientist
February 2003 - March 2005 (2 years 2 months)
Berkeley, CA

Distributed Systems Department, Data Intensive Computing Group, Grid
Computing

**CERN (European Organization for Particle Physics Research)**
CERN Fellow, Computer Scientist
1998 - 2003 (5 years)
Geneva, Switzerland

Grid Computing, Very Large Scale Data Analytics

———

## Education

**Technical University Vienna**
PhD, Computer Science · (2003)

University of Aarhus, Denmark

Computer Science · (1996 - 1997)

University Linz, Austria

M.S., Computer Science · (1997)
